## Artist of the Week - Week 2

**K-2:** →

**Abraham Hassan (Year 1)** was inspired by the music and story of "Peter and the Wolf". He used graphite and coloured pencils to depict his favourite part of the story.

**3-6:**

**Arthur Syrios (Year 6)** studied expressive portraiture by Klee, Picasso and Leunig in preparation for his continuous line portrait. He coloured his work using Liquid Crayons and watercolour techniques. ←

# From the Head of Wyvern

The end of the boys' second week back is fast approaching and yet it hardly seems possible. The days are flying by – filled with interesting and engaging activities and a wide variety of learning opportunities for staff and boys alike. How wonderful it is to see boys arriving at school, eager to be here, to spend time with friends and anticipating the challenge and fun to be had in their learning.

Thank you to the P&F committee for the wonderful Welcome Back to Wyvern cocktail party last Friday evening. The heat was intense, and the reception for all most warm and friendly. Caitlin, Mahalia and myself were most grateful for the generous welcome we received. Record numbers in attendance meant space was at a premium but in no way did it reduce the element of fun!

The first official round of IPSHA Saturday sport was challenging owing to the extraordinary heat. Thanks to parents, boys and staff for a sensible approach which clearly put safety first. Results can be found in the Sports News section of this newsletter.

For those who may as yet be unaware, the College is now the official owner of the land adjacent to Wyvern House known as Mary Andrews House. Approximately 5000 square metres in total area the purchase of this property secures the future of Wyvern in a way that is most exciting. The previous owners have leased back the space for the remainder of 2009, allowing the College time to develop plans for future use. A range of options will be considered and consultation with the parent community, staff and ultimately the boys will underpin this most vital phase of development.

Many thanks to the hundreds of enthusiastic parents who turned out on Tuesday evening for the Parent Information evening. It was a lively and most informative occasion indeed. If, as a consequence, you have any further queries or comments then please address these with your son's classroom teacher in the first instance or for more general queries please feel confident to email me at [acoote@newingtoncollege.nsw.edu.au](mailto:acoote@newingtoncollege.nsw.edu.au) .

While on the subject of email can I please encourage the personal approach wherever possible. Speaking on the telephone, or preferably face to face is a much more effective and relational approach to resolving concerns. Emails should be confined to statements of fact or simple procedural questions. If we lose the art and the importance of interpersonal relationship then we are all the poorer for it.

Can I continue to urge each and every parent to put the safety of the boys first at all times whenever dropping off or picking up their sons. For example pedestrian access to the car park in the afternoons is simply not appropriate. Moving vehicles and people are a dangerous mix and boys do not have the capacity to judge speed/distance accurately. Please if you are parking in the streets at the rear of Wyvern, take the time to walk around to the Year 3/4 playground and collect your sons from there. Similarly don't drop off in the bus zone at the front of the school. Not only is it illegal, but as we have two morning bus services delivering boys to school, it again potentially jeopardises the safety of other boys.

Highlights of the next week include the combined Prep Schools Swimming Carnival tomorrow at the Ryde Aquatic Centre and the Mothers' dinner which has been rescheduled for Friday 3 April.

I look forward to meeting parents at sport and at other venues in the days and weeks ahead.

**Andrew Coote**

### **The Wyvern 'on line'**

Over the next few weeks we intend to go 'on line' with the Wyvern. If you would like to receive the Wyvern 'on line' simply send an email to [wyvern@newingtoncollege.nsw.edu.au](mailto:wyvern@newingtoncollege.nsw.edu.au) and then write 'send me the Wyvern' in the subject box. Please include your full name/s, a daytime contact number and student name/s in the message body. You can have more than one email address (perhaps home and work), but please send a separate email for each address. We are confident that we will have this service up and running over the next few weeks. Until that time, we will continue to send a hard copy home as we currently do **but to the eldest son only**. I will let you know when the service is fully operational. Of course, you are still able to access the Wyvern through the Newington College website.

Many thanks  
**Wyvern Office**

## **Administration Fee**

**Payment for Stage 1 fees are due Friday 13 February 2009. Late payments will incur an 'Administration Fee' of \$125.**

A large majority of families will not be affected because they pay their school fees on time. (Payments made before the due date will not be charged the additional fee).

Kindly note that the following payment methods are available for your convenience:

- BPay - using telephone or internet banking from your savings, cheque or credit card (Visa or MasterCard) account
- Postbillpay - by cash, cheque or EFTPOS at Australia Post
- Automated card payment authority - established using an authority form available on the College's web site
- Cheque - mailed or delivered to the College

Please note that the College is unable to process payments via credit cards, other than by the above methods. For security and safety reasons, the College has also discontinued accepting cash at the office.

## Class Lists

Each year we issue parents with a list of boys who are in their son's class. These lists contain student's name, parents' names, addresses, mobile and home telephone numbers. These lists facilitate contact between boys and their parents for outings, visits by friends, birthdays, sport etc. They also assist the Wyvern P & F to contact other parents regarding social functions and other P&F related issues.

If you do not wish for your details to be used on the class list, can you please contact the Office by **no later** than Friday 20 February on 9568-9440 or email [s.raven@newingtoncollege.nsw.edu.au](mailto:s.raven@newingtoncollege.nsw.edu.au)

If we do not receive any notification that you do not want this information published, we will assume that we have your permission to go ahead and complete the class lists by the abovementioned date.

Thanking you  
**Wyvern Office**

I'd like to welcome all families to the 2009 School Year and express the warmest welcome to those new families joining us in years K, 3 and 5. The Welcome Picnic was held at the swimming complex at the Senior School on Sunday 25 January and was very well attended. I'm happy to report that a great day was had by all.

The traditional Welcome Cocktail Party was held in the Wyvern Hall on Friday 6 February and was attended by over 500 people – one of the biggest turnouts in recent years. The formalities included addresses by the new Headmaster, David Mulford, and the new Head of Wyvern, Andrew Coote. Special thanks to Jayne Cobden, Julie Gigg, Rollanda Rosenstraus and the many parents who pitched in and helped out on the night.

As is usually the case with the beginning of the school year, due to unforeseen circumstances, there have been a few changes made to functions and dates previously printed in the P & F Calendar that was included in the previous edition of The Wyvern. Would you kindly please note these changes as follows:-

- The Wyvern Ladies Dinner **will not** be taking place on Friday 13 February, however will be held on Friday 3 April. (Please see flyer for this event in this edition of the Wyvern).
- The K-4 Father and Son camp will not be taking place during the weekend commencing Friday 27 March, and this event will be re-scheduled for a little later in the year.
- Please also note that the first P & F Meeting of the year **will not** be held on Thursday 19 February, however will be held on Thursday 19 March at 7.30pm.
- The Year 5 and 6 Father and Son camp that is printed as being held during the weekend commencing Friday 28 August will also be rescheduled to a date to be confirmed and will not be taking place on this weekend. It is anticipated that one Father and Son Camp will be held for all years from K through to Year 6 a little later in the year.
- The Wyvern House Christmas Cocktail Party is currently printed for taking place on Friday 23 October and will in fact be held on Saturday 21 November.

Should you have any queries please do not hesitate to contact Jayne Cobden or Julie Gigg, and please be sure to check the "Two Weeks Ahead" sections for up to date information and any changes which may occur to the calendar in each edition of the Wyvern.

The first P&F meeting for the year will take place on Thursday 19 March in the Wyvern Hall at 7:30PM. All are welcome and supper is provided.

## **State Transit Buses**

To allow sufficient time for the distribution of student passes, FREE travel to and from school on school days will be granted to all students using State Transit Buses from **Wednesday 28 January to Friday 6 March ONLY**. Students MUST either be in school uniform, or proof of attendance may be asked for.

**Commencing Monday 9 March 2008, all students without a current 2009 pass will be required to pay full fare for the journey to and from school.**

## Wyvern Auxiliary

Dear Wyvern Families,

Thank you to all of those who attended Friday evening. It was indeed a very special event not only due to the fact we had in excess of 500 in attendance, but also for the opportunity for everyone to meet Dr and Mrs Mulford and Mr and Mrs Coote and beautiful baby daughter Mahalia in an informal setting, and to witness the official induction of Mr Coote as Head of Wyvern House.

As you would be aware these events do take a lot of time and effort and hard work in organizing (all of which I thoroughly enjoy doing) however cannot do alone. Therefore the real troopers of the evening who should be acknowledged are Steven and Rollanda Rosenstraus and their son Jeremy. Not only for their beautiful food, but all of the hard work they do in the days leading up to these events with the purchasing and preparations of the food and also taking into consideration the incredibly uncomfortable conditions in which they worked in all day Friday and Friday evening, the heat of the day and the evening was incredibly uncomfortable for everyone, however the temperatures in the kitchen were stifling despite the School's efficient air conditioning system – like most air conditioning systems in Sydney, it simply could not compete with the temperatures we have had recently, particularly given the amount of people congregated on Friday evening.

There is an enormous amount of people who all pitched in both during the day and on the evening and if I were to list all names it would fill this week's entire edition of the Wyvern. Therefore a very big thank you to all of the Year Parents, however, in particular to the following who worked tirelessly throughout the day and on the evening: **Sally Karam, Toni Gee, Alex Loveridge, Barbara Bessiris, Julie Gigg, Lea Wright, Sam Smith, George Griziotis, Jock Canning, Catherine Treloar, Angela Rudkins, Penny Holt, Alex Baykitch, Kylie Brennan, Paul and Linda Lyons, Winston Sammut, David Mills, Toni Ottavio, Peter Mouscas, Joan O'Donnell, David Jordan** and of course those big boys who for some reason at every single function and every single year are always found, without fail, behind and taking charge of "The Bar" – **David Gigg, David Jordan, Roger Rudkins, Dale Blunden, Danny Cobden and Greg Cheetham !!!!** My apologies if I have missed anyone as there were so many incredible people lending a hand on the night.

Also I am sure you will agree the senior boys in attendance on the evening who so willingly gave of their own time for this function must also be acknowledged. The extremely talented Newington College String Quartet **Nathan Lam, Ben Adler, James Park and Matthew Ding** ('ON 2008) and Miss Jessica Love (Music Department Senior School) and the Year 9 boys who were on the front doors to welcome and direct guests, **Oscar Pryor Lees and Tim Cobden**.

To have so many wonderful parents in our school community to lend a hand with preparing the food, cooking, serving platters of food, bar tending and indeed cleaning up at the end of the evening to ensure the success of these evenings and to ensure all new parents are warmly welcomed is brilliant.

Further in this week's edition of the Wyvern you will see the flyer for our annual "Ladies' Dinner Evening" being held at **Dedes Restaurant at Sydney Rowing Club, Abbotsford** on **Friday 3 April**. I sincerely hope to see all of the Ladies of Wyvern (mums, carers and staff) at this event if your schedule allows, as this night is always a fabulous night to meet with others in your year groups overlooking the beautiful views and experiencing the fabulous food at **Dedes**. I would encourage you to RSVP as soon as you are able as last year's function was sold out prior to reaching the RSVP date. It does not matter if you are new to the school and don't know too many people as yet, simply add your son's class on the RSVP form and I will seat you with lovely ladies from your son's class/year group. There are no strangers at these functions, simply friends you have yet to meet!

Kind regards to all,

**Jayne Cobden**

The Victorian bushfires have been devastating, with loss of life and property. Many are living in a state of suspended animation not knowing what tomorrow will bring. It is hard for the victims to look beyond their profound grief and despair. How can they begin to envisage a tomorrow?

I heard a man interviewed who had lost his house and all his worldly possessions. He was taken to an evacuation centre in a neighbouring town in his soiled, scorched clothes. His voice quivered as he described how a complete stranger came up to him and gave him a toothbrush, a razor, some shaving cream and a towel. He was overwhelmed by what to us would appear to be small tokens of kindness. The fact is, at that moment he realised that he was not alone. He was being comforted by someone else who had also suffered loss.

People might think, where is God in this comforting process? Or more bluntly, that God is not in this process. The Bible suggested that when we comfort, when we show compassion, God is at work.

*“Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves have received from God. For just as the sufferings of Christ flow over into our lives, so also through Christ our comfort overflows. If we are distressed, it is for your comfort and salvation; if we are comforted, it is for your comfort, which produces in you patient endurance of the same sufferings we suffer. And our hope for you is firm, because we know that just as you share in our sufferings, so also you share in our comfort.” 2 Corinthians 1:3-7*

Every act of kindness that stems from empathy or a “just wanting to do something” however inadequate, ultimately stems from God. Even more amazingly whenever we feed the hungry, welcome the stranger, clothe the naked, or simply and perhaps speechlessly comfort the grieving it’s like we are doing these very acts to Jesus. How it all works I don’t really comprehend, but I do know that it works because I have personally received an abundance of comfort from God through his people.

## **GREEK LANGUAGE CLASSES IN 2009 – NOTICE TO PARENTS**

Greek language classes at Wyvern are resuming in 2009 at the time of 3.15pm till 5.35pm, Wednesday (or possibly Thursday, if there is a sufficient number of boys who cannot attend the regular Wednesday classes).

To secure enrolment of both existing and new students for Term 1, 2009, please contact one of the below listed parents **before the fourth Wednesday of Term 1**. Please note that any sisters of Wyvern boys are also invited to enrol in the classes. Only students in years 1 to 6 may be accepted. Our experience has shown that year K students have difficulty adjusting to the longer day on Wednesday, but are better suited to these classes by Year 1.

The enrolment fee for Term 1, 2009 is \$80. Class sizes will continue to be kept at low numbers.

Contact phone numbers are:

**George (Parent Yr 3, 5) at (H) 9544 5696;(M)0413 184603**  
**Cleo (Parent Yr 4) at (H) 9560 9538; (M) 0405 822262**

We look forward to hearing from you as soon as possible.

## **From the Uniform Shop**

Dear Parents,

We are looking for someone to volunteer to help in the Uniform Shop either weekly/fortnightly or monthly on Thursday mornings.

If you can help out, please contact Penny Holt on 0414 413 445.

Many thanks

## Sale of Framed Artworks

Is your son's framed art masterpiece hanging at Wyvern?

Families are invited to buy their son's **currently framed artworks**. All proceeds from these sales will directly fund the purchase of new frames and materials for future exhibition of boys' work at Wyvern.

Prices:               **\$40 for regular size framed works (A3 image size)**  
                              **\$60 for large framed works (A2 image area)**

Payments in cash only, with a completed purchase form, are to be handed in to the Office. Spare purchase forms are available at the Office.

Your son's framed artwork will be "red dotted" to indicate its sale. All sold framed artworks will be available (as exhibited) to take home at the end of their display period at Wyvern, no later than the end of this school year. **Families will be notified via their son's diary when purchased artwork can be picked up.**

Should you choose not to buy your son's framed artwork, his masterpiece will of course be sent home unframed by the end of the year.

## **Match Reports for Saturday 7 February Basketball A & B Team**

Last Saturday the Wyvern boys had their first game of the season against Trinity. The Bs game was hard fought in the first half, with a small margin opening up for Newington towards half time. The Newington boys consolidated this lead in the second half. This was aided by a man of the match performance from Alexander Zafiroopoulos with some great sharp shooting. The Trinity As came out fast and aggressive and this led to a 10 point lead over Newington at one point. However the boys knuckled down with some solid defense and gained confidence when man of the match Grant Anticevich started finding his range to make some challenging shots from the field. The boys got the margin back to 2 points at one stage but eventually Trinity kicked the lead back out to 5 points, winning 23-28. The boys showed great determination and I am looking forward to seeing the same from all teams through the season.

### **Mr James Tracey**

## **Softball A & B**

On Saturday 7 February the Newington Softball Teams played against Waverley College.

The A's started the game off well, with a few great catches being taken. The boys fielded well and are keen to work on their pitching this week.

The A's lost 22-7, however, the game was much

tighter than the score indicates.

The Softball B's made a great start to the season with a 13-9 win. The boys batted and pitched well. Their goal for this week is to work hard in the field and to make better decisions when throwing to the different bases.

Both Softball teams encouraged their team mates and displayed great Sportsmanship throughout the game. Well done Softballers!

### **Miss Briody Connor**

## **Cricket - Year 5 Traditional**

This game was played as a Super 8s game at Cranbrook's ground. Cranbrook batted first and a high quality bowling display was set when Nicholas Adgemis took a wicket with only the second ball. A lesser experienced Cranbrook side struggled to find runs from the accurate bowling and energetic fielding of the Newington boys. In reply, a good opening stand gave Newington the platform for victory and new team members Alexander Henderson, William Ryan and Nick Stilp scored valuable runs. Four wickets were lost to run outs which gives the team much to work on, but the highlight of the batting performance was when Alexander Robinson smashed his way to 22 not out, including a couple of towering sixes. In the end it was a comfortable win and a promising start to the season.

### **Mr Adrian Pollard**

## **Cricket Y5 Super 8**

On Saturday 7 February Year 5 Super played Trinity Summer Hill. We had to be at the grounds at seven thirty at Homebush for an 8 o'clock start. We trained for a while until the match started. We did the bat toss and we won! So we decided to bat. Jeremy and Edward opened the batting. They played very well and got Newington off to a good start. They didn't get out. Next up were Christian and myself. We did well too. Aiden and Jag followed and then Tim and Daniel who unfortunately only got about half an over to bat. But Newington finished off with 47 runs!

We got unpadding and had a drink (it was a really a hot day) and then we took our places on the field for the second innings. With Jagg as wicket keeper, Jeremy as backstop and me opening the

bowling we started the second innings. Christian got two wickets for Newington and Daniel got one. James P, James K, Aiden and Tim all had great overs bowling too. Newington won the match by at least 12 runs giving us a great win to start the season. After the match we celebrated and the Man of the Match was ... me! But I think the whole team deserved it.

#### **Requests for 'Leave from Sport':**

Any requests for 'Leave from Sport' must be made in writing and addressed to the Head of Campus (Mr Andrew Coote).

#### **Swimming Squad:**

We have had a wonderful response to the Wyvern Swimming Squad this term and as a result we have had to split the swim squad into two separate groups. Tuesday morning (7:00am) will now be the time slot for Year 3 and 4 swim squad. Thursday morning (7:00am) will now be reserved for Year 5 and 6 swim squad.

#### **Newington Preparatory Schools' Inter-House Swimming Carnival:**

The Newington Preparatory Schools' Inter-House Swimming Carnival will be held at Ryde Aquatic Centre tomorrow.

Our thanks go to Mr David Ikin for co-ordinating this carnival. The Junior and Senior Individual Medley and 100m Freestyle events will be a straight final on the day. The finalists have been selected from the time trial results which were held at the Senior School pool last Thursday. For the other events in Backstroke, Breaststroke, Butterfly and Freestyle our swim carnival will combine both heats and finals on the same day.

Parents are most welcome to attend the Inter-house carnival and sit with their son.

Some of the details of which your son will need to be aware include:

- His "Competitor ID Number" – This will be written on the hand of each student by their teacher on Friday morning.
- The age they turn this year (swimmers must compete in their own age group)
- Heats for 8 year races in breaststroke and backstroke will be over 25m.
- Heats for 8 year races in freestyle will be over 50m.

- Competent 8 year olds may swim butterfly in the 9 years age group if they wish.
- Heats for 9, 10, 11 and seniors in every stroke will be over 50m.
- There will be a Junior and open 100m F/S Final.
- There will be a Junior and Senior Individual Medley Final.
- It is important that the boys listen carefully for their races to be called.
- Encourage everyone to swim as every participant earns points for his House team
- What to bring e.g. Swimmers (under their PE shorts, goggles, towel etc).
- Boys will have to bring their own recess and lunch as there will be no lunch orders on that day.
- Students are not permitted to use the canteen.
- If parents wish to take their son home directly from the carnival they must first notify their son's class teacher in writing.

#### **Newington Preparatory Schools' Swimming Team:**

Based on the results from the Inter-House swimming carnival, a Newington Swim team will be selected. These boys will be required to represent Newington at a number of swimming invitation carnivals and at the IPSHA swimming carnival on Tuesday 3 March.

Depending on the programme offered by the host school, the swim team may vary from carnival to carnival as we match up swimmers with the events on the programme.

Our first invitation swimming carnival will be the Scots Invitation on Friday 20 February. The Scots Invitation returns to the sporting calendar following a year off while renovation work was being conducted around their pool. Last year the Newington Invitation was held on this date to provide an opportunity for 'friendly' competition while there was a vacancy in the IPSHA calendar. The Newington Invitation will no longer be held in 2009 now that Scots have resumed hosting their carnival on this date.

A note will go home providing greater detail to all the boys selected in the swimming team, after the Inter-House Carnival.

### **Cross Country Training:**

To help our boys' prepare for the school and IPSHA cross country carnivals being held later this term, Mr Martin will be taking training during recess on Tuesdays in the shade of the Wyvern carpark. Training will involve interval running with the distances gradually increasing as fitness levels improve. Interested boys need to write their name down on the list pinned to the Sport Notice Board near the canteen. In addition to this, training programmes are available from Mr Martin for the boys to follow while at home.

With a little over one month to go before the school carnival, boys should commence training now if they haven't already started.

### **Codes of Conduct:**

A reminder to all students, coaches, parents and spectators that attend Wyvern sport. The IPSHA have a Code of Conduct that we fully endorse here at Wyvern. These can be found inside the Wyvern Sport Manual. It is an expectation that we all adhere to these guidelines.

### **Sport Risk Warning**

Below is a sport Risk Warning letter issued by schools in the JSHAA. I strongly encourage you to read this letter so that you are aware of the risks involved for your son when participating in school sport.

### **Risk Warning Under Section 5M of the Civil Liability Act 2002 on behalf of Newington College, AHIG and IPSHA:**

#### **Sporting Activities:**

Newington College organises many individual and team sporting activities during the course of a year. Some of these are organised in conjunction with the Association of Heads of Independent Girls' Schools NSW (AHIGS) and some with the Independent Primary School Heads of Australia (IPSHA). Students participating in these sporting activities take part in practice and in competitions.

Newington College, AHIGS and IPSHA expect students to take responsibility for their own safety by wearing compulsory safety equipment,

by thinking carefully about the use of safety equipment that is highly recommended and by behaving in a safe and responsible manner towards themselves, team members, opponents, spectators, officials, property and grounds.

While Newington College, AHIGS and IPSHA take measures to make the sporting activities as safe as possible for participants, there is an inherent risk that students can be injured and suffer loss (including financial loss) and damage as a result of their participation in these sporting activities, whether at training or in actual events.

Injury can occur while the student is engaging in or watching a sporting activity, or travelling to and from the event. The injury may result from a student's actions, the actions of others or equipment failure.

On some occasions, an injury can be serious (such as torn ligaments, dislocations, back injuries, concussion or broken bones). In very rare cases an injury can be life threatening or result in permanent disability. If a student has a pre-existing injury, participating in a sporting activity could result in an exacerbation of that injury.

Students could also suffer loss as a result of their personal property being lost, stolen, damaged or destroyed.

### **Petersham Rugby:**

Last year a group of Newington Senior School boys played rugby for Petersham Rugby on a Sunday. They went on to play reps for Sydney University. It was predominantly the 15A's with a couple of boys from the B's and C's.

Petersham Juniors is a fledgling club. However, the actual Petersham Rugby Club is one of the oldest in Sydney. Their Juniors petered out about forty years ago and they have only resurfaced in the past 3-4 years. They are currently very strong in enrolments for Under 6's, 7's & 8's, but everything above that is clear. There is an opportunity for Newington boys to play rugby for Petersham outside of school and gain additional experience. This will help strengthen our rugby programme. The boys will also have the opportunity of playing Reps

for Sydney University, as these teams are only selected from Petersham and Canterbury.

### **Flyers:**

On occasions we have requests for flyers to be available for distribution to Wyvern students from various organisations. These flyers will be brought to your attention in this section of the Wyvern Sport News and they will be available from the display unit located outside the front office.

- Petersham Rugby

### **Shining Stars:**

Shining SKI Stars:

- Sam Martin (Year 1) and Mackenzie Connell (6S) did themselves proud by winning 2 medals each, at the Sun Peaks Family Cup in Canada this January, Sam, 6 Years old won a bronze in the Boys Alpine Division 4-8 Year olds. He also scored another medal, as the Martin/ Finney family took out the Family Cup for the 2nd year running! Not bad considering they were against all those local Canadians! Mackenzie also scored a bronze in his Alpine Division 9-11yr olds. Then backed it up to take a medal in the Boys Snowboarding. He was, I believe, the only boy in his age group to compete in both disciplines, so well done Macks! These are "friendly races", but challenge the kids to set goals, maybe achieve a medal, but also have a lot of fun skiing with their pals! So if there are any boys (or families) that would like to meet up for a ski over the July holidays please contact Linda Connell or Anna Finney.
- Congratulations to Grant Anticevich (5B) on his selection in the Bankstown Bruins U12's Representative basketball team in Division 1 of the Sydney Junior Basketball competition. This achievement is particularly noteworthy given that Grant turns 11 this year.

### **IMPORTANT NOTICE - ANAPHYLAXIS - PLEASE - NO 'NUT' PRODUCTS AT SCHOOL**

**Dear Parents,**

**As a consequence of the increasing number of boys who suffer from allergies, the Tuckshop will not be providing ANY NUT PRODUCTS (eg. peanut butter, nutella etc) and we ask that you, as parents, please support the school by not providing your son/s with peanut butter sandwiches or nut products.**

**This means NO CASHEWS, ALMONDS, HAZELNUTS, PINENUTS, NUTELLA OR ANYTHING ELSE THAT IS FROM THE NUT FAMILY.**

**In some instances, a student with a severe nut allergy only has to touch something where there is a trace of nut product for it to cause an anaphylactic reaction.**

**The safety of students and their wellbeing is something we take very seriously and urge you to support the school in this instance.**
